MISSION

The Student Budget Board (SBB) is a standing committee of the Commission of Student Affairs (CSA). The board manages the allocation process of a portion of the student activities fee to University Chartered Student Organizations (UCSO), Registered Student Organizations (RSO), and University Student Life Programs (USLP). SBB is a policy board that strives to fund organizations in a fair and equitable manner. Funds allocated through SBB are meant to enrich the experiences and exposure of the student body (both undergraduate and graduate) during their time at Virginia Tech.

SECTION II:

SUPPORTING STATEMENTS

The views and opinions expressed by organizations that are funded through Student Budget Board do not reflect any official policy, stance, or position of the Board and are solely the opinions, viewpoints, or reflections of that specific organization.

Given that students, attending the Roanoke campus pay the Blacksburg Campus student activity fee, organizations functioning at that campus are eligible for Budget Board funds. Throughout the document if the Blacksburg campus community is named, the Roanoke campus community is the equivalent location for student organizations that are at the Roanoke campus.

SECTION III:

COMMISSION ON STUDENT AFFAIRS & STUDENT BUDGET BOARD PURPOSE

The Commission on Student Affairs is one of the standing committees of the University Council and serves as an integral part of Virginia Tech’s university governance structure. Each Commission reports to the University Council.

The specific charge and additional information about the Commission on Student Affairs can be found on this website: http://www.governance.vt.edu/uc_constitution_and_by-laws.html

The creation of the Student Budget Board (SBB) was initiated, by the Commission on Student Affairs (CSA), in order to have a mechanism for reviewing and making allocation decisions to support student organization programming. The funding comes from a portion of the student activity fees, paid by each Undergraduate/Graduate student. These Policies & Procedures were approved by the CSA and any additional policy changes must also be approved by the CSA.

The Student Budget Board is charged with the responsibility of recommending to the Commission on Student Affairs, with their appropriation strategy, the amount of funds to be distributed to the student organizations for each fiscal year. Procedures for distribution shall be the responsibility of the Student Organization Accounting Office.
The Student Budget Board serves organizations with a majority membership of undergraduate students. Organizations which have a split of graduate/professional students and undergraduate students will be considered for SBB funding based on organizational mission, intended audience, etc.

SECTION II: CHANGING POLICY

● In order to amend any items disclosed in this policy document, approval for changes must be made through a majority vote of the CSA.
Part II: Procedure
ARTICLE I:
SECTION I:

SBB MEETING PROCEDURES

Frequency of Meetings
- The Board meets once per week during the Fall and Spring semesters.
- Extra meetings may be held if needed and can be called by the Chair.
- The SBB typically meets beginning the third week of the Fall semester and second week of the Spring semester.
- The last meeting of each semester is the week prior to the last day of classes.

Quorum
- Quorum is needed for each SBB meeting in order to vote on requests.
- Quorum is any number of members above 50 percent of voting members.

Urgent Summer Decisions
- The Board will appoint three members from the previous year to a summer committee, along with the Chair for the following year, in order to make decisions on questions presented by organizations over the summer.
- All four of these members are “on call” for the entire summer.
- The three members are the primary voters.

ARTICLE II:
SECTION I:

FUNDING PROCEDURES FOR RSO & USLP FUNDING

Expectations for Organizations
SBB has expectations for student organizations that apply for funds. These expectations are outlined below.
- Reasonable and justified funding requests
- Programs, events, and travel that align with the organization's mission
- Everything that the organization does helps to achieve their mission.
- Fiscal integrity and prudent use of funds
- Diverse programing that engages and educates the community
- Abide by all SBB deadlines
If a request does not meet these expectations, it may be denied funding by SBB.

SECTION II:

GUIDELINES FOR STUDENT ORGANIZATION ADVISORS

- SBB acknowledges that student organization advisors play a crucial role in the support/advise of student organizations and their leaders. However, that role should be focused on supporting, not completing work on behalf of the organization.
- Student organization advisors may not do the following:
  - Submit funding applications on behalf of the organization.
  - Serve as the primary contact for an organization on a request.
Complete reimbursement paperwork on behalf of the organization.
Communicate with SBB about the organization's request without involvement from a student leader.

- Advisors may help student leaders navigate these processes, but they are unable to complete the processes themselves.

SECTION III: FUNDING APPLICATION REQUIREMENTS

In order to apply for funding from Student Budget Board, your organization must meet the following criteria:

- Be registered with Student Engagement and Campus Life (SECL)
  - For returning organizations, you must be fully re-registered with SECL by 5 PM on the Friday of the 4th week of the semester.
  - For new organizations, you must be fully registered following SECL procedures.
- Attend a Funding Workshop
  - Each individual who is submitting a funding request must have taken the Funding Workshop in the outlined format.
  - The format, details, and list of workshops will be available on the SECL website. If both of these are not completed, your organization will be ineligible to apply for funding for the entire academic year.
- If your organization received Semester-in-Advance funding in the spring semester of the previous academic year, your organization must adhere to these requirements, or your allocated funds will be forfeited.
- If your organization falls out of good standing with the university, your funds will be revoked and/or you will not be eligible for reimbursement.
  - Good standing is defined as meeting registration and on-going student organization requirements through SECL.
- SBB will provide the forms for organizations to apply for funding.
- Forms must be filled out correctly and submitted by the deadlines outlined below for a request to be considered.

SECTION IV: DEADLINES FOR SUBMISSION

- Each funding category has a submission deadline requirement:
  - Small Grant, General Programming, Operational, Conference and Competition Funding
    - 30 calendar days from the date of the event or the date that the money needs to be spent.
  - Major Event Funding
    - 60 calendar days from the date of the event.
  - If the funding request does not come in prior to that deadline, the board will not consider funding for that request, and it will be automatically denied.
  - If you do not have the exact cost ready for submission by the deadline, you may use estimated costs based off of past years or reasonable expectations.

- Calendar Dates for Funding Application Deadlines
  - See the flowchart below for calendar dates deadlines throughout the year.

- Break Periods
  - SBB does not meet over Fall Break, Thanksgiving Break, Winter Break, Spring Break, and Summer Break.
  - Please know that this affects requests that will be heard.

- Early Decision
  - These deadlines must be met in order for a request to be heard during the semester it is submitted.
  - If your organization misses the early decision deadline your request will not be heard until the following semester.

**SECTION V:**

**COLLABORATIVE EVENTS**

- SBB encourages collaboration between organizations for events. Collaborations are crucial to help with the success of events as well as allowing for programs to reach a broader audience.

- Collaborations between two or more organizations must meet the mission of both organizations and be an active collaboration*
**RSO & USLP Funding Policies & Procedures**

*SBB defines active collaboration as involvement from members of all involved organizations in the creation, planning, and execution of the program and may include financial contribution from all parties involved.*

- If you are collaborating on an event, each organization must apply for their own funding for the event.

**SECTION VI: HOW REQUESTS ARE HEARD**

- Requests are heard in the order they are received.
  - Semester-in-Advance Requests are held and all heard at the same time. They will be heard in the order submitted.
- SBB meets once per week and every effort is made to hear funding requests as quickly as possible.
  - Please note that there are over 800 organizations on campus. The earlier your organization submits their funding request the more time they will have to plan for their event.
- SBB makes their funding decision based on:
  - How the funding request helps the organization meet its mission
  - If the request follows funding policies and precedents
  - If the target audience is currently enrolled VT students
  - How well justified and estimated the funding request is with appropriate supporting documentation
- SBB reserves the right to a) ask for additional clarity if needed or b) meet with organizations before awarding funding.
  - If the organization is sent an email seeking clarity on a request, they have one week (7 calendar days) from the date the email is sent, to respond.
    - If a response is not given within 7 calendar days, the request will be voted on with the information, or lack thereof, provided.
  - If the organization is asked to meet with the Board, the organization will be notified of the date and time.
    - If a representative of the organization is not present, the request will be voted on with information, or lack thereof, provided.

**SECTION VII: APPROVED FUNDS**

- Once a request is approved, the organization will be notified of what the board approved in their request.
- The organization is approved for ONLY what is on the request and award letter.
- If requesting funds for a program, organizations must put their program/event on their GobblerConnect page a minimum of 15 days prior to the event, with an accommodations statement.
  - If 15 days does not exist between approval and the event, the organization must create the event ASAP.
  - If this does not happen, the organization would lose funding for that event.
This does not apply to conference or competition funding.

- If funds are spent outside of what was approved and/or the amount approved, the organization will be solely responsible for paying those expenditures.

Retroactive Funding
- Organizations cannot be reimbursed for payments made prior to funding approval.
- All payments must take place after approval from the board.
- If payments are made prior to SBB approval, the organization is solely responsible for paying those expenditures.

Change of Event Information and Reallocations
- Organizations are required to seek SBB approval for reallocation of funds if there is a change in previously approved funds and/or events and/or dates.
- Reallocation requests must be submitted no less than 7 calendar days prior to the event or expense. The approval of the reallocation must be received prior to the expenditure of the requested funds or prior to the event, whichever is first.
- This request to reallocate is done by emailing budgetboard@vt.edu.
- The email should include which line item(s) and amount(s), from the original request and identify what line item(s) the reallocation is being requested for.
- The email should also include a statement explaining the reason for the reallocation.
- Reallocation may only occur within the singular event originally requested. Funds cannot be reallocated between separate events, nor can they be reallocated to a new event.
  - Examples that can be approved:
    - Your organization is approved for a speaker and that person is no longer available, but you are bringing another speaker.
    - Your organization was approved for airfare for a speaker, but they have decided to drive instead.
- Reallocations and/or changes concerning the following can be made at the discretion of the Chair + 2 additional SBB members.
  - Change of date/time.
  - Change of location.
  - Reallocation of funds from line items to already approved line items.
- Reallocations and/or changes concerning the following will require review and vote from the entirety of SBB:
  - Significant changes to the content/programming of the request.
  - Reallocation of funds from line items to new line items.
  - Any additional change that may come forward, not previously outlined in policy.

ARTICLE III:
SECTION I:

PAYMENT AND REIMBURSEMENTS

- There are several documents that must completed and via GobblerConnect before a check request can be forwarded to the Controller’s Office.
- Approved funds are only dispersed through Direct Pay/Invoice or reimbursement.
● Submitting an invoice and/or contract for a direct payment is the preferred method of utilizing the funding.
● If the invoice or charge is more than what was approved through SBB, the organization is responsible for paying the remainder of the costs.
● Contracted speakers, guests and artists must be paid directly through the university, not through student organizations or their members. Other purchases from outside vendors (such as supplies, equipment, etc.) may be purchased by the student organization, provided they have received pre-approval to purchase and submit proper receipts and documentation for the purchase in order to receive reimbursement.

Deadline for Payment
● Organizations are required to submit the payment documentation, direct pay vendor invoice, contract, or reimbursement receipts and payment verification electronically.
  o All necessary signatures must be completed on Payment Processing Forms.
● If the payment documentation is not turned in within 45 days, the organization forfeits the right to be reimbursed and those funds will revert back to SBB.
● All reimbursement paperwork for the same event/expenditure/conference/competition must be turned in at the same time.
  o For example - If your organization is being reimbursed for a conference, reimbursement paperwork for all individuals who need to be reimbursed, and any additional payments made, must be turned in together.
  o **This does not include payments for contracts and vendors that are needed ahead of time.**

Date Non-Specific Funding
● If the approved funding is not for a specific event date, (i.e. equipment), the organization has 45 days after they are sent award notification to make the purchase and turn in all paperwork for reimbursement or payment.
● Failure to meet this deadline will result in the organization forfeiting access to the funding and the funds will revert back to SBB.

Payment for Contracts/Honoria
● Before an organization enters into a contract, it is strongly encouraged that the organization meets with Student Legal Services in Squires 143.
● Payment processing forms, completed and signed contract, W-9 form, and 20 questions form must all be **turned in 4-6 weeks prior to your event.**
  o Failure to turn in forms 4-6 weeks prior to your event will result in a check not being ready for payment to the contracted guest on the day of your event.
  o The University must pay the contracted performer directly and the organization cannot be reimbursed for prior payments.
  o Payment made by an organization to a contracted guest, no matter the cost of the contract, and turned in for reimbursement, cannot be processed, and will be denied by SBB.
● Failure to submit the appropriate forms and/or to have these forms completed will delay the ability to have a check made. If a payee has a US Taxpayer ID or Federal ID number, the W-9 form will need to be submitted and signed by the person the check is being made out to (or an agency representative, if applicable). This process can take 30 days to complete once all material is submitted to the Controller’s Office.
Reimbursement for Personal Purchases
● The organization should submit the original detailed receipt along with any appropriate backup documentation and the Student Payment Processing Form, available online.
  ○ If paying with cash, check, or card, only the original detailed receipt is needed, in addition to the Payment Processing Form.

Payment for University Services
● Invoices from University Services/Departments should be submitted to the Student Organization Accounting Office and will be paid directly with SBB funds.

ARTICLE IV:
SECTION I:

APPEALS

● Appeals may only be based on the following criteria:
  1. Established policies and procedures were not followed.
  2. The decision was not made within parameters with previous decisions of the board, in the same academic year.
● The fact that the Board did not fund an item at the requested level does not constitute grounds for appeal.

Hearing Appeals
● RSO/USLP appeals will be heard by the SBB Appeals Committee.
● The SBB Appeals Committee
  ○ Consists of 3 secondary members from SBB.
  ○ The three chosen to sit on any appeal, must not have been present and/or voted on the original request.
● An appeals schedule will be created at the beginning of the year and assigns organizations appeal weeks.
  ○ If an appeal needs to be heard that week, secondary members from the three organizations listed will hear the appeal.
  ○ If an appeal does not need to be heard, they will have the week off.

Filing an Appeal
● All appeals must be submitted by the organization through GobblerConnect and filed in accordance with the following appeal criteria.
● All appeals of the SBB allocation decisions must be submitted, no later than 5 PM on the date two (2) weeks from the date on the award letter.
● The appeal will be delivered to the SBB Advisor to begin the appeal process.
● The SBB Advisor will review the appeal and determine if it meets the appeal criteria.
● If it does, the SBB Advisor will convene the SBB Appeals Committee for the upcoming week.

Hearing an Appeal
● The convened panel will review the request and meet with members of the organization who filed the appeal and the Chair or Vice Chair of the SBB.
The SBB Advisor will be present to take minutes and to ensure that both sides are being presented.

Once both sides are presented, and the panel feels they have enough information to make a decision, they will privately deliberate.

The appeal decision will be emailed to the organization contacts and to the chair of the SBB.

The decision of the panel is final.

SECTION II:

CHANGING PROCEDURE

In order to amend any items disclosed in this procedure document, approval for changes must be made through a majority vote of SBB after two readings.

- If there is a tie, the Chair will make the final decision.
