MISSION

The USS Appropriations Committee is a standing committee of the Undergraduate Student Senate (USS). The Appropriations Committee manages the allocation process of a portion of the student activities fee to University Chartered Student Organizations (UCSO), Registered Student Organizations (RSO), and University Student Life Programs (USLP) alongside Graduate Student Budget Board (GSBB). USS Appropriations is a policy board that strives to fund organizations in a fair and equitable manner. Funds allocated through the Appropriations Committee are meant to enrich the experiences and exposure of the student body (both undergraduate and graduate) during their time at Virginia Tech.

SECTION II:

SUPPORTING STATEMENTS

The views and opinions expressed by organizations that are funded through USS Appropriations Committee do not reflect any official policy, stance, or position of the Committee or USS and are solely the opinions, viewpoints, or reflections of that specific organization.

Given that students, attending the Roanoke campus pay the Blacksburg Campus student activity fee, organizations functioning at that campus are eligible for Appropriations funds. Throughout the document if the Blacksburg campus community is named, the Roanoke campus community is the equivalent location for student organizations that are at the Roanoke campus.

If a request does not meet these expectations, it may be denied funding.

SECTION II:

GUIDELINES FOR STUDENT ORGANIZATION ADVISORS

• The Appropriations Committee acknowledges that student organization advisors play a crucial role in the support/advisement of student organizations and their leaders. However, that role should be focused on supporting, not completing work on behalf of the organization.

Submit funding applications on behalf of the organization.
o Serve as the primary contact for an organization on a request.
o Complete reimbursement paperwork on behalf of the organization.
o Communicate with Appropriations about the organizations request without involvement from a student leader.
• Advisors may help student leaders navigate these processes, but they are unable to complete the processes themselves.

o The format, details, and list of workshops will be available on the SECL website.
If both of these are not completed, your organization will be ineligible to apply for funding for the entire academic year.
• If your organization falls out of good standing with the university, your funds will be revoked and/or you will not be eligible for reimbursement.
o Good standing is defined as meeting registration and on-going student organization requirements through SECL.
• The Appropriations Committee will provide the forms for organizations to apply for funding.
• Forms must be filled out correctly and submitted by the deadlines outlined below for a request to be considered.

SECTION IV: FUNDING BREAKDOWNS

Annual Budgeting
• Annual Budgeting is a program of funding that allows UCSOs to submit a budget, in the Spring semester, for programs that will occur during the following academic year.
• UCSOs must submit budget requests in the prescribed format by the deadline.
• Requests submitted after the deadline will not be considered for Annual Budgeting for the following year.
• Due to limited financial resources, organization funding requests may not be funded in full and some costs and/or projects may be directed to submit contingency funding requests, if contingency funding becomes available.
• Prior to Annual Budgeting being finalized, the Appropriations Committee must get its appropriation strategy approved by a majority vote of CSA.
• Annual Budgeting allocation decisions are emailed to each UCSO in April, and funds
will become available for use after July 1st.

**Contingency Funding**
- Contingency Funding is available to UCSOs, during the academic year for which they received Annual Budgeting.
- The contingency funding program is designed to address unforeseen needs relating to existing or new programs arising throughout the year.
- Organizations must submit their contingency requests at least 30 calendar days prior to the scheduled event or before the requested items need to be paid for, whichever is first.

**Winter/Summer Funding**
- All funding that is to be spent during the winter or summer breaks must be explicitly voted on by the Appropriations Committee.
- The organization must show that students will be able to run the event, and how they plan to get attendance at the event.
- If the organization has not requested for the winter or summer break event through Annual Budgeting, the deadlines for reallocation or contingency requests to be considered for such events are:
  - Winter break events must be submitted by November 1st.
  - Summer break events must be submitted by March 31st.

- Organizations cannot be reimbursed for payments made prior to funding approval.
- Organizations receiving funds are expected to expend those funds in accordance with approved Annual Budgeting allocations.
- UCSOs are required to submit the payment documentation, direct pay vendor/contract, or reimbursement receipts and payment verification to the Student Organization Accounting Office no later than 45 days following the event or payment date, whichever is first.
- Failure to meet this deadline will result in the organization paying for those acquired costs through their organization’s generated funds.
- **Contract/Honoraria Agreements**
  - Organizations entering into contracts/honoraria agreements must consider tax implications. If the payee does not have a US Taxpayer ID or Federal ID number, tax must be withheld and can take up to 90 days to process.
  - If tax is required to be withheld that actual payment amount will be less than the stated contract fee.
  - Organizations should consult with the Student Organization Accounting Office in Squires 225, prior to entering into any verbal or written agreement with anyone/organization that does not have the appropriate Tax ID number.
Reallocations and Spending of Funds

- Disbursements of funds must follow policy, Annual Budgeting allocation strategies, and specific notes written on each request.
  - If the expenditure does not align with policy, it will not be funded.
  - If there is a question on an expenditure, the organization should contact the Appropriations Committee Chair prior to spending the funds.
- It is expected that organizations meet their mission and fulfill the projects they applied for in their funding request.
- Funds do not carry over from one school year to another. Funds not spent within the year they are allocated through Annual Budgeting or Contingency Funding, will be brought back into the general Appropriations Committee fund for the following year.
- Allowed to spend funds for any approved line item in an approved project.
- Allowed to move funds across approved projects into previously approved line items.
- If any organization needs funding for a new line item or for a new project, Appropriations Committee approval must be granted before spending funds.
- Request for approval of reallocations must be submitted 14 calendar days prior to the event or expense, or it will not be considered.

Collaborative Events

- The Appropriations Committee encourages collaboration between organizations for events. Collaborations are crucial to help with the success of events as well as allowing for programs to reach a broader audience.
- Collaborations between two or more organizations must meet the mission of both organizations and be an active collaboration*
  *The Appropriations Committee defines active collaboration as involvement from members of all involved organizations in the creation, planning, and execution of the program and may include financial contribution from all parties involved.
- If you are collaborating on an event, each organization must apply for their own funding for the event.
- UCSOs are prohibited from giving the Appropriations Committee funds to other organizations directly.

ARTICLE III:
SECTION I:

PAYMENT AND REIMBURSEMENTS

- There are several documents that must completed via GobblerConnect before a check request can be forwarded to the Controller’s Office.
- Approved funds are only dispersed through Direct Pay/Invoice or reimbursement.
- Submitting an invoice and/or contract for a direct payment is the preferred method of utilizing the funding.
- If the invoice or charge, is more than what was approved through the Appropriations Committee, the organization is responsible for paying the remainder of the costs.
• Contracted speakers, guests and artists must be paid directly through the university, not through student organizations or their members. Other purchases from outside vendors (such as supplies, equipment, etc.) may be purchased by the student organization, provided they have received pre-approval to purchase and submit proper receipts and documentation for the purchase in order to receive reimbursement.

Deadline for Payment
• Organizations are required to submit the payment documentation, direct pay vendor invoice, contract, or reimbursement receipts and payment verification to the Student Organization Accounting Office no later than 15 days after the date of event.
• If the payment documentation is not turned in within 15 days, the organization forfeits the right to be reimbursed and those funds will revert back to Appropriations Committee.
  o For example - If your organization is being reimbursed for a conference, reimbursement paperwork for all individuals who need to be reimbursed, and any additional payments made, must be turned in together.
  o This does not include payments for contracts and vendors that are needed ahead of time.

Date Non-Specific Funding
• If the approved funding is not for a specific event date, (i.e. equipment), the organization has 45 days after they are sent award notification to make the purchase and turn in all paperwork for reimbursement or payment.
• Failure to meet this deadline will result in the organization forfeiting access to the funding and the funds will revert back to the Appropriations Committee.

Payment for Contracts/Honoria
• Before an organization enters into a contract, it is strongly encouraged that the organization meets with Student Legal Services in Squires 143.
• Payment processing forms, completed and signed contract, W-9 form, and 20 questions form must all be turned in 4-6 weeks prior to your event.
  o Failure to turn in forms 4-6 weeks prior to your event will result in a check not being ready for payment to the contracted guest on the day of your event.
  o Payment made by an organization to a contracted guest, no matter the cost of the contract, and turned in for reimbursement, cannot be processed, and will be denied by the Appropriations Committee.
• Failure to submit the appropriate forms and/or to have these forms completed will delay the ability to have a check made. If a payee has a US Taxpayer ID or Federal ID number, the W-9 form will need to be submitted and signed by the person the check is being made out to (or an agency representative, if applicable). This process can take 30 days to complete, once all material is submitted to the Controller’s Office.

Reimbursement for Personal Purchases
• The organization should submit the original detailed receipt along with any appropriate backup documentation and the Student Payment Processing Form, available online.
  o If paying with cash, check, or card, only the original detailed receipt is needed, in addition to the Payment Processing Form.
Payment for University Services

- Invoices from University Services/Departments should be submitted to the Student Organization Accounting Office and will be paid directly with Appropriations Committee fund.

Appeals Process

- A standing subcommittee (that does not include any individual who served on the Appropriations Committee an individual who is a member of the organization appealing a decision and is comprised of individuals external to SECL) will review the organization’s appeal request to determine if it meets the criteria outlined above.
- If the appeals criteria are met, a full CSA hearing will take place.
- Members of the appealing organization and the USS Appropriations Committee will be invited.
- If the Appeals Subcommittee determines that the appeals criteria have not been met, then the appeal will be rejected.
- Members of the appealing organization may not be present for the appeals vote.
- After the appeal, the decision will be sent via email to the organization contacts by the Chair of the CSA.
