SECTION I: MISSION

The Student Budget Board (SBB) is a standing committee of the Commission of Student Affairs (CSA). The board manages the allocation process of a portion of the student activities fee to Registered Student Organizations (RSO), University Chartered Student Organizations (UCSO), and University Student Life Programs (USLP). SBB is a policy board that strives to fund organizations in a fair and equitable manner. Funds allocated through SBB are meant to enrich the experiences and exposure of the student body (both undergraduate and graduate) during their time at Virginia Tech.

SECTION II: SUPPORTING STATEMENTS

The views and opinions expressed by organizations that are funded through Student Budget Board do not reflect any official policy, stance, or position of the Board and are solely the opinions, viewpoints, or reflections of that specific organization.

Given that students, attending the Roanoke campus pay the Blacksburg Campus student activity fee, organizations functioning at that campus are eligible for Budget Board funds. Throughout the document if the Blacksburg campus community is named, the Roanoke campus community is the equivalent location for student organizations that are at the Roanoke campus.

SECTION III: COMMISSION ON STUDENT AFFAIRS & STUDENT BUDGET BOARD PURPOSE

The Commission on Student Affairs is one of the standing committees of the University Council and serves as an integral part of Virginia Tech’s university governance structure. Each Commission reports to the University Council.

The specific charge to the Commission on Student Affairs and additional information regarding the Commission on Student Affairs can be found at the following website: http://www.governance.vt.edu/uc_constitution_and_by-laws.html

The creation of the Student Budget Board (SBB) was initiated, by the Commission on Student Affairs (CSA), in order to have a mechanism for reviewing and making allocation decisions in support of student organization programming. The funding comes from a portion of the student activity fees, paid by each Graduate and Undergraduate student. The Policies and Procedures were approved by the CSA and any additional policy changes must also be approved by the CSA.

The Student Budget Board is charged with the responsibility of recommending to the Commission on Student Affairs, with their appropriation strategy, the amount of funds to be distributed to the student organizations for each fiscal year. Procedures for distribution shall be the responsibility of the Student Organization Accounting Office.

SECTION I: MEMBERSHIP

Definition

- SBB consists of student members selected from our UCSOs.
  - All USCOs are required to have a seat on Budget Board, unless they are a part of the four Greek Councils or Class Systems, which rotate seats, every four years.
- The student members of the SBB, must be a member of the officer board of their respective University Chartered Student Organizations (UCSO), or a designee.
- Each organization is required to have a primary and secondary member.

- Members must be appointed by their UCSO by the end of the first week of classes each year.
  - If there is a need to change a member, that need must be made known to the Chair and Advisor, ASAP.
  - If this occurs at the semester change- membership must be appointed by the end of the first week of classes.
- Should a UCSO decline membership on SBB, they forfeit the right to apply for and be awarded Annual Funding.
  - Should an organization decide they would still like to apply for funding, the Board will evaluate their situation.
  - Should the Board deem it reasonable for the organization to apply, they may be eligible for application through RSO processes and policies.
- Once a new UCSO is established, the start of the following academic year will commence their membership on Budget Board.

Part II: Procedure
ARTICLE I:

SECTION I: MEETINGS

Frequency of Meetings
- The Board meets once per week during the Fall and Spring academic semesters.
- Extra meetings may be held if needed, and can be called by the Chair.
- The SBB typically meets beginning the third week of the Fall semester and second week of the Spring semester.
- The last meeting of each semester is the week prior to the last day of classes.

Quorum
- Quorum is needed for each SBB meeting in order to vote on requests.
- Quorum is any amount of members above 50 percent of voting members.

Urgent Summer Decisions
- The Board will appoint three members from the previous year to a summer committee, along with the Chair for the following year, in order to make decisions on questions presented by organizations over the summer, on previously allocated money.
- All four of these members are “on call” for the entire summer.
- The three members are the primary voters.

ARTICLE II:

SECTION I: FUNDING PROCEDURES FOR RSO & USLP FUNDING

Expectations for Organizations
SBB has expectations for student organizations that apply for funds. These expectations are outlined below:
- Reasonable and justified funding requests
- Programs, events, and travel that align with the organization’s mission
- Fiscal integrity and prudent use of funds
- Diverse programing that engages and educates the student community
- Abide by all SBB deadlines

If organization and requests do not meet these expectations, they may be denied funding by the Board.

SECTION II:

Advisors for Student Organizations
- SBB acknowledges that student organization advisors play a crucial role in the support and advisement of student organizations and their leaders. However, that role should be focused on support and help, not completing work on behalf of the organization.
- Student organization advisors may not do the following:
  - Submit funding applications on behalf of the organization.
  - Serve as the primary contact for an organization on a request.
o Complete reimbursement paperwork on behalf of the organization.
o Communicate with SBB about the organizations request without student leader involvement.

• Advisors may help student leaders navigate these processes but they are unable to complete the processes themselves.

SECTIOIII:

Requirements for Application & Application Forms

• In order to apply for funding from SBB your organization must meet the following criteria:
o Be registered with Student Engagement and Campus Life (SECL)
  ▪ For returning organizations, you must be fully re-registered with SECL by 5 pm on the Friday of the 4th week of the semester.
  ▪ For new organizations, you must be fully registered following SECL procedures.
o Funding Workshop Attendance
  ▪ Each individual who is submitting a funding request must have taken the Funding Workshop in the outlined format.
  ▪ The format, details, and list of workshops will be available on the SECL website.
• If both of these are not completed, your organization will be ineligible to apply for funding for the entire academic year.
• If your organization received semester-in-advance funding in the spring semester of the previous academic year, your organization is beholden to these requirements or your allocated funds will be forfeited.
• If your organization falls out of good standing with the university, your funds will be revoked and/or you will not be eligible for reimbursement.
  o Good standing is defined as meeting registration and on-going student organization requirements through SECL.
• SBB will provide the forms for organizations to apply for funding.
• Forms must be filled out correctly and submitted by the deadlines outlined below for a request to be considered.

SECTION IV:

DEADLINES FOR SUBMISSION

• Each funding category has a submission deadline requirement:
o Small Grant, General Programming, Conference and Competition funding
  ▪ 30 calendar days from the date of the event or the date money needs to be spent
o Major Event Funding
  ▪ 60 calendar days from the date of the event.
• If the funding request does not come in prior to that deadline, the board will not consider funding for that request and it will be automatically denied.
• Additionally, there are calendar date deadlines in the flow charts below.

- Calendar Dates for Funding Application Deadlines
  - See the flowchart below for calendar dates deadlines throughout the year.

- Break Periods
  - SBB does not meet over Fall Break, Thanksgiving Break, Winter Break, Spring Break, and Summer Break.
  - Please know that this affects requests that will be heard.

**SECTION V:**

**Collaborative Events**
- SBB encourages collaboration between organizations for events. Collaborations are crucial to help with the success of events and allows for programs to reach a broader audience.
- Collaborations between two or more organizations must:
a) meet the mission of both organizations and
b) be an active collaboration*.

- If you are collaborating on an event, each organization must apply for their own funding for the event.

*SBB defines active collaboration as involvement from members of all involved organizations in the creation, planning, and execution of the program and may include financial contribution from both parties.

SECTION VI: HOW REQUESTS ARE HEARD

- Requests are heard in the order they are received.
  - Semester in Advance Requests are held and all heard at the same time. They will be heard in the order submitted.
- SBB meets once per week and every effort is made to hear requests as quickly as possible.
  - Please note that there are over 800 organizations on campus. The earlier your organization submits their request the more time they will have to plan for their event.
- SBB makes their funding decision based on:
  - How the request helps the organization meet its mission
  - If the request follows funding policies and precedents
  - If the target audience is currently enrolled students at the Blacksburg campus
  - How well justified/estimated the request is with appropriate supporting documentation
- SBB reserves the right to a) ask for additional clarity if needed or b) meet with organizations before awarding funding.
  - If the organization is sent an email seeking clarity on a request, they have one week (7 calendar days) from the date the email is sent, to respond.
    - If a response is not given within 7 calendar days, the request will be voted on with the information, or lack thereof, provided.
  - If the organization is asked to meet with the Board, the organization will be notified of the date and time.
    - If a representative of the organization is not present, the request will be voted on with information, or lack thereof, provided.

SECTION VII: APPROVED FUNDS

- Once a request is approved, the organization will be notified of what the board approved in their request.
- The organization is approved for ONLY what is on the request and award letter.
- If requesting funds for a program, organizations must put their program/event on their GobblerConnect page a minimum of 15 days prior to the event.
  - If 15 days does not exist between approval and the event, the organization must create the event ASAP.
  - If this does not happen, the organization would lose funding for that event.
  - This does not apply to conference or competition funding.
• If funds are spent outside of what was approved and/or the amount approved, the organization will be solely responsible for paying those expenditures.

Retroactive Funding
• Organizations cannot be reimbursed for any payments made prior to the Board’s approval of funding.
• All payments must take place after approval from the board.
• If payments are made prior to SBB approval, the organization is solely responsible for paying those expenditures.

Change of Event Information and Reallocations
• Organizations are required to seek SBB approval for reallocation of funds if there is a change in previously approved funds and/or events and/or dates.
• The approval of the reallocation must be received prior to the expenditure of the requested funds or prior to the event, whichever is first.
• This request to reallocate is done by emailing the budgetboard@vt.edu.
• The email should include which line item(s) and amount(s), from the original request and identify what line item(s) the reallocation is being requested for.
• The email should also include a statement explaining why the reallocation is being requested.
• Reallocations may only occur within the singular event originally requested. Funds cannot be reallocated between separate events, nor can they be reallocated to a new event.
  o Examples that can be approved:
    ▪ Your organization is approved for a speaker and that person is no longer available but you’re bringing another speaker.
    ▪ Your organization was approved for air travel for a speaker but they decide to drive instead.
• Reallocations and/or changes concerning the following can be made at the discretion of the Chair + 2 additional SBB members.
  o Change of date
  o Change of location
  o Change of time
  o Reallocation of funds from line items to already approved line items
• Reallocations and/or changes concerning the following will require review and vote from the entirety of SBB:
  o Significant changes to the content/programming of the request
  o Reallocation of funds from line items to new line items
  o Any additional change that may come forward, not previously outlined in policy.

ARTICLE III:

SECTION I:

PAYMENT AND REIMBURSEMENTS

• Once funding has been approved, there are several documents needed to be completed and submitted, to the Student Organization Accounting Office IN PERSON, before a check request can be forwarded to the Controller’s Office.
• All Board approved funds are dispersed through Direct Pay/Invoice or reimbursement only.
• Submitting an invoice and/or contract for a direct payment is the preferred method of utilizing the funding.
• If the invoice or charge, is more than what was approved through SBB, the organization is responsible for paying the remainder.

Deadline for Payment
• Organizations are required to submit the payment documentation, direct pay vendor invoice, contract, or reimbursement receipts and payment verification to the Student Organization Accounting Office IN PERSON no later than 45 days after the date of event.
• If the payment documentation is not turned in within 45 days, the organization forfeits the right to be reimbursed and those funds will revert back to the SBB.
• All reimbursement paperwork for the same event/expenditure/conference/competition must be turned in at the same time.
  o For example- if your organization is being reimbursed for a conference, reimbursement paperwork for all individuals who need to be reimbursed, and any additional payments made, must be turned in together to Squires 225.
  o This does not include payments for contracts and vendors that are needed ahead of time.

Date Non-Specific Funding
• If the approved funding is not for a specific event date, (i.e. equipment), the organization has 45 days after sent award notification is sent to make the purchase and turn in all paperwork for reimbursement or payment.
• Failure to meet this deadline will result in the organization forfeiting access to the funding and the funds will revert back to the SBB.

Payment for Contracts/Honoraria
• Before an organization enters into a contract, it is strongly encouraged that the organization meets with Student Legal Services (Squires 143).
• Payment processing forms, completed and signed contract, W-9 form, and 20 questions form must all be turned in 6-8 weeks prior to your event.
  o Failure to turn in forms prior to 6-8 weeks prior to your event will result in a check not being ready for payment to the contracted guest on the day of your event.
  o Payment made by an organization to a contracted guest, no matter the cost of the contract, and turned in for reimbursement, cannot be processed, and will be denied.
• Organizations entering into contracts/honoraria agreements must consider tax implications.
• If the payee does not have a US Taxpayer ID or Federal ID number, tax must be withheld and can take up to 90 business days to process.
• If tax is required to be withheld, actual payment amount will be less than the stated contract fee.
• Organizations should consult with the Student Organization Accounting Office, 225 Squires, prior to entering into any verbal or written agreement with a contract entity or individual that does not have the appropriate ID number.
• Failure to submit the appropriate forms and/or to have these forms completed will delay the ability to have a check cut. If a payee has a US Taxpayer ID or Federal ID number, the W-9 form will need to be submitted and signed by the person the check is being made out to (or an agency representative, if applicable). This process can take 30 days to complete, once all material is submitted to the Controller’s Office.
• In case there is a need for a contract cancellation, it is recommended by SBB to have a Force Majeure clause in every contract held by organizations. This ensures that the organization is not charged for the contract in the event of a Force Majeure. If the organization is forced to cancel, it will be upon them to cover the fees.
  o SBB will reimburse for performer lodging, transportation, and meals, and Production and/or similar costs of a cancelled event if they are incurred, only if there was a Force Majeure clause in the original contract, and only if a Force Majeure was the reason for cancellation.

Reimbursement for Personal Purchases
• The organization should submit the original detailed receipt along with any appropriate backup documentation and the Student Payment Processing Form, available online and in Squires 225.
  o If paying with cash, check, or credit/debit card, the original detailed receipt is all that is needed.

Payment for University Services
• Invoices from University Services or Departments can be submitted to the Student Organization Accounting Office and will be paid directly through SBB funds after it is approved.

ARTICLE IV:

SECTION I:

APPEALS
• Organizations have the right to appeal decisions made by SBB, based on the following criteria:
  1) Established policies and procedures were not followed.
  2) The decision was not made within parameters with previous decisions of the board, in the same academic year.
• The fact that the Board did not fund an item at the requested level does not constitute grounds for appeal.

Hearing Appeals
• RSO & USLP appeals will be heard by an Appeals Committee.
• The Appeals Committee
  o Consists of 3 secondary members from SBB.
  o The three chosen to sit on any appeal, must not have been present and/or voted on the original request.
• An appeals schedule will be created at the beginning of the year and assigns organizations Appeal Weeks.
  o If an appeal needs to be heard that week, secondary members from the three organizations listed will hear the appeal.
  o If an appeal does not need to be heard, the organizations listed have the week off.

Filing an Appeal
• All appeals must be submitted by the organization through GobblerConnect, and filed in accordance with the following appeal conditions.
• All appeals of the SBB allocation decisions must be submitted, no later than 5pm on the date two (2) weeks from the date on the award notification.
• The appeal will be delivered to the SBB Advisor to begin the appeal process.
• The Advisor will review the appeal and determine if it meets the appeal criteria (listed above).
• If it does, the SBB Advisor will convene the Appeals Committee for the upcoming week.

Hearing an Appeal
• The convened panel will review the request and meet with members of the organization who filed the appeal and the Chair or Vice Chair of the SBB.
• The Advisor will be present to take minutes and ensure both sides are presented.
• Minutes will be taken and the Advisor will facilitate the hearing.
• Once both sides are presented, and the panel feels they have enough information to make a decision, they will privately deliberate.
• The appeal decision will be emailed to the organization contacts and the chair of the SBB.
• The decision of the panel is final.

SECTION II:
CHANGING PROCEDURES
• In order to amend any items disclosed in this procedure document, approval for changes must be made through a majority vote of SBB after two readings.
  o If there is a tie, the Chair will make the final decision.
