SECTION I:

MISSION

The Student Budget Board (SBB) is a standing committee of the Commission of Student Affairs (CSA). The board manages the allocation process of a portion of the student activities fee to Registered Student Organizations (RSO) and University Chartered Student Organizations (UCSO) and University Student Life Programs (USLP). SBB is a policy board that strives to fund organizations in a fair and equitable manner.

Funds allocated through SBB are meant to enrich the experiences and exposure of the student body (both undergraduate and graduate) during their time at Virginia Tech.

SECTION II:

SUPPORTING STATEMENTS

The views and opinions expressed by organizations that are funded through Student Budget Board do not reflect any official policy, stance, or position of the Board and are solely the opinions, viewpoints, or reflections of that specific organization.

Given that students, attending the Roanoke campus pay the Blacksburg Campus student activity fee, organizations functioning at that campus are eligible for Budget Board funds. Throughout the document if the Blacksburg campus community is named, the Roanoke campus community is the equivalent location for student organizations that are at the Roanoke campus.

SECTION III:

COMMISSION ON STUDENT AFFAIRS & STUDENT BUDGET BOARD PURPOSE

The Commission on Student Affairs is one of the standing committees of the University Council and serves as an integral part of Virginia Tech's university governance structure. Each Commission reports to the University Council.

The specific charge to the Commission on Student Affairs and additional information regarding the Commission on Student Affairs can be found at the following website:

http://www.governance.vt.edu/uc_constitution_and_by-laws.html

The creation of the Student Budget Board (SBB) was initiated, by the Commission on Student Affairs (CSA), in order to have a mechanism for reviewing and making allocation decisions in support of student organization programming. The funding comes from a portion of the student activity fees, paid by each Graduate and Undergraduate student. The Policies and Procedures were approved by the CSA and any additional policy changes must also be approved by the CSA.

The Student Budget Board is charged with the responsibility of recommending to the Commission on Student Affairs, with their appropriation strategy, the amount of funds to be distributed to the student organizations for each fiscal year. Procedures for distribution shall be the responsibility of the Student Organization Accounting Office.

- Quorum is needed for each SBB meeting in order to vote on requests.
- Quorum is any amount of members above 50 percent of voting members.

Urgent Summer Decisions

- The Board will appoint three members from the previous year to a summer committee, along with the Chair for the following year, in order to make decisions on questions presented by organizations over the summer, on previously allocated money.
- All four of these members are “on call” for the entire summer.
- The three members are the primary voters.

ARTICLE II:

SECTION I:

FUNDING PROCEDURES FOR UCSO FUNDING

Expectations for Organizations

SBB has expectations for student organizations that apply for funds. These expectations are outlined below.

- Reasonable and justified funding requests
- Programs, events, and travel that align with the organization's mission
- Understand the organization’s mission and how everything the organization does achieves that.
- Fiscal integrity and prudent use of funds
- Diverse programming that engages and educates the community
- Abide by all SBB deadlines

If organization and requests do not meet these expectations, they may be denied funding by the Board.

SECTION II:

Advisors for Student Organizations

- SBB acknowledges that student organization advisors play a crucial role in the support and advisement of student organizations and their leaders. However, that role should be focused on support and help, not completing work on behalf of the organization.
- Student organization advisors may not do the following:
 - Submit funding applications on behalf of the organization.
 - Serve as the primary contact for an organization on a request.
 - Complete reimbursement paperwork on behalf of the organization.

- Communicate with SBB about the organizations request without student leader involvement.
- Advisors may help student leaders navigate these processes but they are unable to complete the processes themselves.

SECTION III:

REQUIREMENTS FOR APPLICATION

In order to apply for funding from Student Budget Board your organization must meet the following criteria:

- Be registered with Student Engagement and Campus Life (SECL)
 - For returning organizations, you must be fully re-registered with SECL by 5 pm on the Friday of the 4th week of the semester.
 - For new organizations, you must be fully registered following SECL procedures.
- Attend a Funding Workshop
 - Each individual who is submitting a funding request must have taken the Funding Workshop in the outlined format.
 - The format, details, and list of workshops will be available on the SECL website.

If both of these are not completed, your organization will be ineligible to apply for funding for the entire academic year.

- If your organization falls out of good standing with the university, your funds will be revoked and/or you will not be eligible for reimbursement.
 - Good standing is defined as meeting registration and on-going student organization requirements through SECL.
- SBB will provide the forms for organizations to apply for funding.
- Forms must be filled out correctly and submitted by the deadlines outlined below for a request to be considered.

SECTION IV:

Annual Funding

- Annual Funding is a program of funding that allows UCSO's to submit a budget, in the Spring semester, for programs that will occur during the following academic year.
- Organizations must submit budget requests in the prescribed format by the designated deadline.
- Requests submitted after the deadline will not be considered for annual funding for the following fiscal year.
- Due to limited financial resources, organization-funding requests may not be funded in full and some costs and/or projects may be directed to submit contingency funding requests, if contingency funding becomes available.
- Prior to Annual Funding being finalized SBB must get its appropriation strategy approved by a majority vote of CSA.
- In April, SBB will give an informative presentation on its Annual Funding allocations once finalized.
- Funding decisions are e-mailed to the UCSO in April.
- These funds are available after July 1.

Contingency Funding

- Contingency funding is available to UCSO's, during the academic year for which they received annual funding.
- The contingency funding program is designed to address unforeseen needs relating to existing or new programs arising in the course of the fiscal year.
- Organizations must submit their contingency requests at least 30 calendar days prior to the scheduled event or before the requested items need to be paid, whichever is first.

Winter/Summer Funding

- All funding that is to be spent during the winter or summer breaks must be explicitly voted on by the Board.
- The organization must show that students will be able to run the event, and how they plan to get attendance at the event.
- If the organization has not requested for the winter or summer break event through Annual Funding, the deadlines for reallocation or contingency requests to be considered for such events are:
 - Winter break events must be submitted by November 1st.
 - Summer break events must be submitted by March 31st.

SECTION V:

Approved Funds & Payment

- Organizations cannot be reimbursed for *any* payments made prior to the Board's approval of funding.
- Organizations receiving funds are expected to expend those funds in accordance with approved Annual Funding allocations.
- UCSO are required to submit the payment documentation, direct pay vendor/contract, or reimbursement receipts and payment verification to the Student Organization Accounting Office no later than 45 days following the event or payment date, whichever come.
- Failure to meet this deadline will result in the organization paying for those acquired costs through their organization's generated funds.
- Contract/Honoraria Agreements
 - Organizations entering into contracts/honoraria agreements must consider tax implications. If the payee does not have a US Taxpayer ID or Federal ID number, tax must be withheld and can take up to **90 days** to process.
 - If tax is required to be withheld that actual payment amount will be less than the stated contract fee.
 - Organizations should consult with the Student Organization Accounting Office, Squires 225, prior to entering into any verbal or written agreement with anyone/organization that does not have the appropriate Tax ID number.

Reallocations and Spending of Funds

- Disbursements of funds must follow policy, Annual Funding allocation strategies, and specific notes written on each request.
 - If the expenditure does not align with policy, it will not be funded.
 - If there is a question on an expenditure, the organization should contact the SBB Chair prior to spending the funds.
- It is expected that organizations meet their mission and fulfill the projects they applied for.

- Funds do not carry over from one school year to another. Funds not spent within the year they are allocated through Annual Funding or Contingency Funding, will be brought back into the general SBB fund for the following year.
- Organizations are allowed to spend their funds within any approved category for an approved project.
- Organizations are allowed to move their money across approved projects into previously approved categories.
- If any organization needs funding in a new category or for a new project, SBB approval must be granted before spending funds.

Collaborative Events

- SBB encourages collaboration between organizations for events. Collaborations are crucial to help with the success of events and allows for programs to reach a broader audience.
- Collaborations between two or more organizations must
 - a) meet the mission of both organizations and
 - b) be an active collaboration*.

*SBB defines active collaboration as involvement from members of all involved organizations in the creation, planning, and execution of the program and may include financial contribution from both parties.
- If you are collaborating on an event, each organization must apply for their own funding for the event.
- UCSOs are prohibited from giving their SBB funds to other organizations directly.

ARTICLE III:

SECTION I:

PAYMENT AND REIMBURSEMENTS

- There are several documents needed to be completed and submitted, to the Student Organization Accounting Office, before a check request can be forwarded to the Controller's Office.
- All Board approved funds are dispersed through Direct Pay/Invoice or reimbursement only.
- Submitting an invoice and/or contract for a direct payment is the preferred method of utilizing the funding.
- If the invoice or charge, is more than what was approved through SBB, the organization is responsible for paying the remainder.

Deadline for Payment

- Organizations are required to submit the payment documentation, direct pay vendor invoice, contract, or reimbursement receipts and payment verification to the Student Organization Accounting Office no later than 45 days after the date of event.
- If the payment documentation is not turned in within 45 days, the organization forfeits the right to be reimbursed and those funds will revert back to the SBB.

Date Non-Specific Funding

- If the approved funding is not for a specific event date, (i.e. equipment), the organization has 45 days after sent award notification is sent to make the purchase and turn in all paperwork for

reimbursement or payment.

- Failure to meet this deadline will result in the organization forfeiting access to the funding and the funds will revert back to the SBB.

Payment for Contracts/Honoraria

- Before an organization enters into a contract, it is strongly encouraged that the organization meets with Student Legal Services (Squires 143).
- Payment processing forms, completed and signed contract, W-9 form, and 20 questions form must all be turned in 4-6 weeks prior to your event.
 - Failure to turn in forms prior to 4-6 weeks prior to your event will result in a check not being ready for payment to the contracted guest on the day of your event.
 - Payment made by an organization to a contracted guest, no matter the cost of the contract, and turned in for reimbursement, cannot be processed, and will be denied.
- Organizations entering into contracts/honoraria agreements must consider tax implications.
- If the payee does not have a US Taxpayer ID or Federal ID number, tax must be withheld and can take up to 90 business days to process.
- If tax is required to be withheld, actual payment amount will be less than the stated contract fee.
- Organizations should consult with the Student Organization Accounting Office, 225 Squires, prior to entering into any verbal or written agreement with a contract entity or individual that does not have the appropriate ID number.
- Failure to submit the appropriate forms and/or to have these forms completed will delay the ability to have a check cut. If a payee has a US Taxpayer ID or Federal ID number, the W-9 form will need to be submitted and signed by the person the check is being made out to (or an agency representative, if applicable). This process can take 30 days to complete, once all material is submitted to the Controller's Office.

Reimbursement for Personal Purchases

- The organization should submit the original detailed receipt along with any appropriate backup documentation and the Student Payment Processing Form, available online and in Squires 225.

- If the appeals criteria are met, a full Commission hearing of the CSA will take place.
- Members of the appealing organization and the SBB will be invited to the appeal hearing.
- If the Appeals Subcommittee determines that the appeals criteria have not been met, then the appeal will be rejected.
- Members of the appealing organization may not be present for the final appeals vote.
