Media Standards
Virginia Tech Production Services

We use Qlab as our main show control and playback program. It can playback audio and video cues. Vmix will also be used for live video playback and switching. The following file formats are the accepted formats for these programs. If you have any questions please contact production@vt.edu or 540-231-3499

Accepted Audio File Formats:	Accepted Images/Video Format:
.WAV	.mov
.AIFF	ProRes 422 Proxy
.CAF	ProRes 422 LT
.AAC	Photo.JPG (For stills/images)
.MP4	H.264
.M4A
