

**How to:**

# Marker Monoprints

## Materials:

- Markers
- Paper
- Cling wrap/ziploc bag/ plastic
- Scissors
- Paint brush
- Pen/pencil/sharpie
- Water

## Step 1:

Cut a piece of cling wrap slightly larger than the piece of paper you have and place it on top of the paper as shown in image 1.

## Step 2:

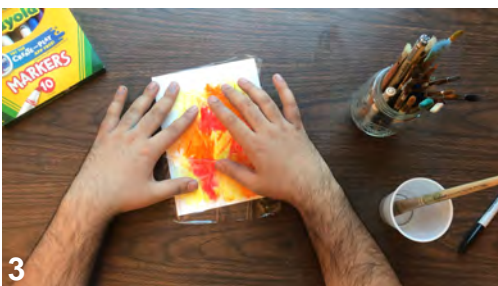

Select a number of markers, and make patterns as shown in image 2.

## Step 3:

Brush water on the paper evenly, then overlay the piece of plastic and press it to transfer the design on the paper as shown in image 3.

## Step 4:

Brush it with water to blend the design better.

## Step 5:

Use hair dryer to dry the design (optional).

## Step 6:

Use pen/sharpie to letter a design of your choice to finish as shown in image 4.
