

**How to:**

# Pour Art

**Materials:**

- Water
- Cups
- Acrylic Paints
- Glue
- Canvas

**Step 1:**

To make the Pouring Medium, combine glue and water (1:1/2), and mix well.

**Step 2:**

Mix different Paints and Pouring Medium (1:1) until a crepe batter like consistency in separate cups, as shown in image 1

**Step 3:**

Pour the paints into a cup in any order.

**TECHNIQUE 1:**

Flip the cup on the canvas, letting the paint flow creating designs as shown in image 2.

**TECHNIQUE 2:**

Repeat steps 1-3, pinch the top of the cup, pour the paint in a circular motion as shown, then rotate the canvas to cover it, as shown in image 3.
