MISSION

The Student Budget Board (SBB) is a standing committee of the Commission of Student Affairs (CSA). The board manages the allocation process of a portion of the student activities fee to Registered Student Organizations (RSO), University Chartered Student Organizations (UCSO), and University Student Life Programs (USLP). SBB is a policy board that strives to fund organizations in a fair and equitable manner.

Funds allocated through SBB are meant to enrich the experiences and exposure of the student body (both undergraduate and graduate) during their time at Virginia Tech.

SUPPORTING STATEMENTS

The views and opinions expressed by organizations that are funded through Student Budget Board do not reflect any official policy, stance, or position of the Board and are solely the opinions, viewpoints, or reflections of that specific organization.

Given that students, attending the Roanoke campus pay the Blacksburg Campus student activity fee, organizations functioning at that campus are eligible for Budget Board funds. Throughout the document if the Blacksburg campus community is named, the Roanoke campus community is the equivalent location for student organizations that are at the Roanoke campus.

COMMISSION ON STUDENT AFFAIRS & STUDENT BUDGET BOARD PURPOSE

The Commission on Student Affairs is one of the standing committees of the University Council and serves as an integral part of Virginia Tech's university governance structure. Each Commission reports to the University Council.

The specific charge to the Commission on Student Affairs and additional information regarding the Commission on Student Affairs can be found at the following website:

http://www.governance.vt.edu/uc_constitution_and_by-laws.html

The creation of the Student Budget Board (SBB) was initiated, by the Commission on Student Affairs (CSA), in order to have a mechanism for reviewing and making allocation decisions in support of student organization programming. The funding comes from a portion of the student activity fees, paid by each Graduate and Undergraduate student. The Policies and Procedures were approved by the CSA and any additional policy changes must also be approved by the CSA.

The Student Budget Board is charged with the responsibility of recommending to the Commission on Student Affairs, with their appropriation strategy, the amount of funds to be distributed to the student organizations for each fiscal year. Procedures for distribution shall be the responsibility of the Student Organization Accounting Office.
