MISSION

The Student Budget Board (SBB) is a standing committee of the Commission of Student Affairs (CSA). The board manages the allocation process of a portion of the student activities fee to Registered Student Organizations (RSO), University Chartered Student Organizations (UCSO), and University Student Life Programs (USLP). SBB is a policy board that strives to fund organizations in a fair and equitable manner. Funds allocated through SBB are meant to enrich the experiences and exposure of the student body (both undergraduate and graduate) during their time at Virginia Tech.

SUPPORTING THOUGHTS

The views and opinions expressed by organizations that are funded through Student Budget Board do not reflect any official policy, stance, or position of the Board and are solely the opinions, viewpoints, or reflections of that specific organization.

COMMISSION ON STUDENT AFFAIRS & STUDENT BUDGET BOARD PURPOSE

The Commission on Student Affairs is one of the standing committees of the University Council and serves as an integral part of Virginia Tech’s university governance structure. Each Commission reports to the University Council. The specific charge to the Commission on Student Affairs and additional information regarding the Commission on Student Affairs can be found at the following website:
http://www.governance.vt.edu/uc_constitution_and_by-laws.html

The creation of the Student Budget Board (SBB) was initiated, by the Commission on Student Affairs (CSA), in order to have a mechanism for reviewing and making allocation decisions in support of student organization programming. The funding comes from a portion of the student activity fees, paid by each Graduate and Undergraduate student. The Policies and Procedures were approved by the CSA and any additional policy changes must also be approved by the CSA.

The Student Budget Board is charged with the responsibility of recommending to the Commission on Student Affairs, with their appropriation strategy, the amount of funds to be distributed to the student organizations for each fiscal year. Procedures for distribution shall be the responsibility of the Student Organization Accounting Office.

  *SBB defines active collaboration as involvement from members of all involved organizations in the creation, planning, and execution of the program and may include financial contribution from both parties.

- If you are collaborating on an event, each organization must apply for their own funding for the event.

  - Please make sure your request is as accurate as possible before submitting.
- If additional information is not needed, the request will be passed along to the entire board for consideration.
- Requests are heard in the order they are received.
  - Semester in Advance Requests are held and all heard at the same time, however, they will be heard in the order submitted.
- SBB meets once per week and every effort is made to hear requests as quickly as possible.
  - Please note that there are over 800 organizations on campus. The earlier your organization submits their request the more time they will have to plan for their event.
- SBB makes their funding decision based on:
  - How the request helps the organization meet its mission
  - If the request follows funding policies and precedents
  - If the target audience is currently enrolled students at the Blacksburg campus
  - How well it is justified/estimated with appropriate supporting documentation
  - Whether or not there is sufficient funding remaining with SBB
- SBB reserves the right to meet with organizations before awarding funding.
  - The organization will be notified of the date and time they need to meet with the Board.
  - If an organization is asked to meet with the board, they are required to attend the meeting.
**APPROVED FUNDS**

- Once a request is approved, the organization will be notified via email of what exactly the board approved in their request.
- The organization is approved for ONLY what was on the request and award letter.
- If funds are spent outside of what was approved and the amount approved, the organization will be solely responsible for paying those expenditures.
- **Retroactive Funding**
  - Organizations cannot be reimbursed for *any* payments made prior to the Board’s approval of funding.
  - All payments must take place after approval from the board.
  - If payments are made prior to SBB approval, the organization is solely responsible for paying those expenditures.
- **Reallocation**
  - Organizations are required to seek approval for reallocation of funds if there is a change in previously approved funds and/or events and/or dates.
  - The approval of the reallocation must be received prior to the expenditure of the requested funds or prior to the event, whichever is first.
  - This request to reallocate is done by e-mailing the budgetboard@vt.edu.
  - The e-mail should include which line item(s) and amount(s), from the original request and identify what line item(s) the reallocation is being requested for.
  - The e-mail should also include a statement explaining why the reallocation is being requested.
  - Reallocation can only be requested for the event that was already approved not between multiple events.
  - **Examples:**
    - Your organization is approved for a speaker and that person is no longer available but you’re bringing another speaker.
    - Your organization was approved for air travel for a speaker but they decide to drive instead.
PAYMENT AND REIMBURSEMENTS

● Once funding has been approved, there are several documents needed to be completed and submitted, to the Student Organization Accounting Office, before a check request can be forwarded to the Controller’s Office.
● All Board approved funds are dispersed through Direct Pay/Invoice or reimbursement only.
● Submitting an invoice and/or contract for a direct payment is the preferred method of utilizing the funding.
● Deadline for Payment
  o Organizations are required to submit the payment documentation, direct pay vendor invoice, contract, or reimbursement receipts and payment verification to the Student Organization Accounting Office no later than 45 days after the date of event.
  o If the payment documentation is not turned in within 45 days, the organization forfeits the right to be reimbursed and those funds will revert back to the SBB.
● Date Non-Specific Funding
  o If the approved funding is not for a specific event date, (i.e. equipment), the organization has 30 days after they receive the award notification to make the purchase.
  o All payment information must be submitted within 45 days of the purchase.
  o Failure to meet this deadline will result in the organization forfeiting access to the funding and the funds will revert back to the SBB.
● Payment for Contracts/Honoria
  o Before an organization enters into a contract, it is strongly encouraged that the organization meets with Student Legal Services (Squires 143).
  o Organizations entering into contracts/honoraria agreements must consider tax implications.
  o If the payee does not have a US Taxpayer ID or Federal ID number, tax must be withheld and can take up to 90 business days to process.
  o If tax is required to be withheld that actual payment amount will be less than the stated contract fee.
  o Organizations should consult with the Student Organization Accounting Office, 225 Squires, prior to entering into any verbal or written agreement with a contract entity or individual that does not have the appropriate ID number.
  o Failure to submit the appropriate forms and/or to have these forms completed will delay the ability to have a check cut. If a payee has a US Taxpayer ID or Federal ID number, the W-9 form will need to be submitted and signed by the person the check is being made out to (or an agency representative, if applicable). This process can take 30 days to complete, once all material is submitted to the Controller’s Office.
● Reimbursement for Personal Purchases
  o The organization should submit the original detailed receipt along with any appropriate backup documentation and the Student Payment Processing Form, available online and in Squires 225.
    ▪ If paying with cash, check, or credit/debit card the original detailed receipt is all that is needed.
● Payment for University Services
  o Invoices from University Services or Departments can be submitted to the Student Organization Accounting Office and will be paid directly through SBB funds after it is approved.
  o If the invoice or charge, is more than what was approved through SBB, the organization is responsible for paying the remainder.
